

# LESTER LANCE J. BERMAS

Bacoor, 4102 PH. | (63+) 916 5454 525 | bermas.lester10@gmail.com

A student from Technological University of the Philippines. I'm a 21-year-old coding enthusiast with a passion for reading and a knack for computer networking and troubleshooting. With every line of code I write and every technical problem I solve, I strive to make a positive impact and contribute to the ever-advancing world of technology. Making this to render 486 hours of On-the-job training and develop my skills, I am genuinely excited to undertake OJT with your company.

## ADDITIONAL SKILLS:

- **Programming:** Java, Php, Python, Javascript.
- **Web Development:** HTML5, CSS, Node.js, React.
- **Databases:** MySQL, MongoDB.
- **Framworks:** Laravel, Django.
- **Version Control:** Git, GitHub.

## PROFESSIONAL EXPERIENCE:

*Year, 2018*

- Rendered 200 hours of on-the-job training at AIR21 in the IT department
  - My responsibility was to monitor and locate the moving deliveries all over the Philippines and note when it was delivered and note when it was delayed.
  -

## -Freelancing

*June 2019 - May 2023*

- Develop a website for a startup clothing company using Php, Laravel framework, and MySQL for Database then utilize 000webhost for free hosting.
